

EULA (End User License Agreement)

Your Agreement to This License

Before you buy, install, and distribute the software, you must read below-given terms and conditions as long as you don't have a different license agreement signed by Zaplogix.

If you are not satisfied with the terms and conditions then don't copy, distribute, and install or use any copy of the software with which this License is associated.

The terms and conditions of this License demonstrate the authorized use and users of each Licensed Copy of software. You are only allowed to use a single Licensed Copy of software if you carry a single-copy of license. However, if you opt for multi-user license then you are allowed to use up to a number of Licensed Copies of OST viewer tool or it can be said number of copies stated in the documents which are issued by Zaplogix.

Scope of License

The license granted under the agreement is not for concurrent use. When it is issued for a single person, then only the user or you are authorized by the agreement to use. Multiple users can use the OST Recovery software one-by-one (one at a time) but not simultaneously installed on a particular workstation.

The license is not to be used by multiple users at a time if it is subjected to a single person. Multiple users in your organization may use Zaplogix OST viewer software one by one but not concurrently.

All the rights of Zaplogix OST viewer tool, which is not depicted in the license, are held in reserve by and to the Zaplogix. As per the agreement, you are not allowed modify, translate, lease, reverse engineer, rent, disassemble, decompile, or create any sort of derivative/secondary works on this software. You cannot even let someone do any of the above-mentioned no admissible actions. You are neither permitted to access Zaplogix OST viewer software as available to the others in connection with a service provider to any application, a service bureau or businesses of similar niche.

Liability Limitations and Warranty Disclaimers

Going along Zaplogix OST viewer software or a file or data or materials do not come under any warranty either directly or indirectly. There is no warrant for the recovered data quality. According to the agreement you assure that processing data in the best quality, the program inclusive of the software will need a comprehensive testing with the not so critical data before having any reliance/dependence on it.

If you are taking the risk of using the copies of the software authorized by the license then it is completely your call. License terms and conditions include warranty disclaimer, which is the most significant part of it. Zaplogix recommends you and people around you do not use this OST Viewer software in systems where software failure can result in any loss of life or notable physical injury. If you are doing it then it is entirely up to you. Hereby Zaplogix is not responsible for the loss of life and damage.

General

This license is inclusive proclamation between the parties on the subject matter. It merges and supplants with any of the prior purchase orders, agreements, understandings, and arrangements on the issue. This License will be administered by the laws of the New State of Delhi. Under the license, you are in agreement that the exclusive location and authority relating to any disagreement between the parties to this license is in the courts.
