Hard Disk: Minimum 100 MB of Free Space

How to install Zaplogix Outlook PST Repair Software?

Installing Zaplogix's Outlook PST Repair software is just a few steps process.

Perform the below steps in the given sequence to successfully install the software without any hassle:

1. Download the software from our website.
2. When you download the software, by default, an exe file will be saved in your PC's download folder. However, you can also select your desired location to save the file.
3. Once the exe file has been downloaded, double-click it. A pop-up will appear.
4. Now read the information of the pop-up, and follow the instructions.
5. If you are asked to accept the **Terms and Conditions** and/or **License Agreement**, then allow the same without any hassle.
6. Follow all the instructions until you see the **Finish** button.
7. When you see the **Finish** button, click it. The Zaplogix Outlook PST Repair software will be launched.

Note:

After the installation is complete, you can also start the software from the Desktop shortcut, or from the Windows Start > All Programs menu.

How to Uninstall Zaplogix Outlook PST Repair Software?

Uninstalling Zaplogix's Outlook PST Repair software can be done in just a few steps process.

Perform the below steps in the given sequence to successfully uninstall the software without any hassle:

1. Go to **Control Panel** from **Windows Start** menu.
2. Look for the **Add or Remove Programs** icon and double-click it. You will see a list of the programs installed on your PC.
3. Select **Zaplogix Outlook PST Repair** and select the **Remove** option.
4. Upon clicking the **Remove** option, you will see a pop-up with a warning message. To continue the uninstallation process, click the **Yes** button.
5. The uninstallation process will be completed in a few moments.
6. Now, click the **OK** button to close the pop-up.

The **Zaplogix Outlook PST Repair** software has been successfully uninstalled from your PC.

Note

You can also uninstall **Zaplogix Outlook PST Repair** from the Windows Start > All Programs menu as we have given an uninstall option there as well.

To uninstall using Windows Start > All Programs menu, perform the below steps:

1. Go to Windows Start > All Programs menu.
2. Look for **Zaplogix Outlook PST Repair** and click it.
3. You will see **Uninstall Zaplogix Outlook PST Repair** option. Select this option.
4. You will see a pop-up with a warning message. To continue the uninstallation process, click the **Yes** button.
5. The uninstallation process will be completed in a few moments.
6. Now, click the **OK** button to close the pop-up.

The **Zaplogix Outlook PST Repair** software has been successfully uninstalled from your PC.
